```
"(ii) For fiscal vear 1998. such amount
             shall
                                                      be
             not less than $490,000,000 and not more
             than
             $500.000.000.
                 (iii) For fiscal vear 1999, such amount
             not less than $550,000,000 and not more
             than
             $560.000.000.
                 (iv) For fiscal vear 2000, such amount
             shall
             not less than $620,000,000 and not more
             than
             $630.000.000.
                 "(v) For fiscal vear 2001. such amount
             not less than $670,000,000 and not more
             than
             $680.000.000.
                  (vi) For fiscal vear 2002, such amount
              not less than $690,000,000 and not more
              than
              $700.000.000.
                 "(vii) For each fiscal vear after fiscal
                                                   2002.
                    amount shall be
              such
                                        not
                                                    than
              $710.000.000
                                                     and
              not more than $720,000,000.
           "(5) ANNUAL REPORT —Not later than Ianuary 1.
       the
                                                     Sec-
       retary and the Attorney General shall submit
       iointly
                                                  report
       to Congress which identifies—
"(A) the amounts appropriated to
                                                     the
          Trust
                                Fund
                                                      tor
          the previous fiscal year under paragraph (2)
          (A)
                                and
          source of such amounts: and
              "(B) the amounts appropriated from the
                                                   Fund
           for such year under paragraph (3) and the
           justification
          for the expenditure of such amounts.
       "(6) GAO REPORT.—Not later than January 1 of
       2000. 2002
       and 2004, the Comptroller General of the United
       States shall
       submit a report to Congress which—
        (A) identifie<mark>s</mark>
                  (i) the amounts appropriated to the
                                                   Fund
              for the previous two fiscal years
                                                   under
              paragraph
                                                   (2)(A)
              and the source of such amounts: and
     "(ii) the amounts appropriated from the
   Fund for such fiscal years under paragraph (3) and
   the iustification for the expenditure of such amounts:
    "(B) identifies anv expenditures from the Trust Fund
with respect to activities not involving the Medicare pro-
                                   gram under title XVIII:
              "(C) identifies any savings to the Trust
           Fund.
                                                     and
                  other
                                       resultina
                           savings.
                                                    from
           anv
           expenditures
                                    from
                                                     the
           Trust Fund; and
              (D) analyzes such other aspects of the
                                                       of
           operation
```

the Trust Fund as the Comptroller General of the United States considers appropriate.".
